

**Zusatzklärung zum Antrag eines Schengen-Jahresvisums/ Mehrjahres-
visum mit mehrfacher Einreise (zu Nr. 29/30 im Antragsformular)
Additional statement to my application for a long term multiple entry
Schengen visa (ref. to question no. 29/30 in the application form)**

I, the undersigned, Mr. / Ms. _____ would like to apply for a
_____ year(s) multiple entry visa.

The reason is _____.

In the event that the Embassy / Consulate General of Germany issues a multiple entry visa with a longer validity, I understand that I have to present documents regarding accommodation, financial means as well as a valid travel health insurance for all subsequent visits to the Schengen area.

I understand that I have no claim to a long term multiple entry Schengen visa instead of a single journey visa. The decision remains solely at the discretion of the visa section.
